Senior finals are this Thursday and Friday. Last day for Seniors to turn in books, hotspots and any equipment is Monday, May 24th from 9-11:30am. Since the graduating Class of 2021 is a large class, there will be 3 separate classes graduating of 225 each. There will be graduation rehearsal on May 25th, 2021 at 8am, 10am and 12pm. The graduation will be held at CO at 8:15am/10:30am/12:45pm. There will not be classes from 9am-11am held on campus that day. Summer School schedule will be released on Monday. The classes will be for credit recovery and enrichment.

Fundraising Update: We raised \$181.85 from our Wildcats Wednesday, May 5th at Leatherby's. Thanks to Christina Strother for doing a great job with helping us raised money throughout the year for our Boosters program.

Presidents Notes-Joy wanted to piggyback on Chantelle Albiani's about the ice cream social for the teachers and staff. Chantelle asked Joy on a Monday to see if she could hold an ice cream social on Friday. Joy wanted to thank everyone who helped donate and the spread the word. Last meeting, we approved the new booster's membership fee for \$10. Then we will deduct the membership fee from all the groups on June 1st. Joy wanted to focus on a mission statement for our boosters' program to qualify from grants and free funding. We went over the mission statement below and amended it **to extracurricular for the students**. Joy motioned for the mission statement to be approved, then Tanielena seconded the motion. Motion passed with no opposition.
